The four main types of reading are as follows -

• **Skimming** : The skimming is a type of reading which includes very quick movements of eye, in order to quickly get a basic overview of the whole reading content. The skimming is basically targeted towards finding specific necessary contents without the reading the whole content.

Example - Quickly reading headlines of the newspaper.

• **Scanning** : Scanning is very similar to the skimming but in the scanning the reader quickly goes through the whole reading content in order to get a specific data from.

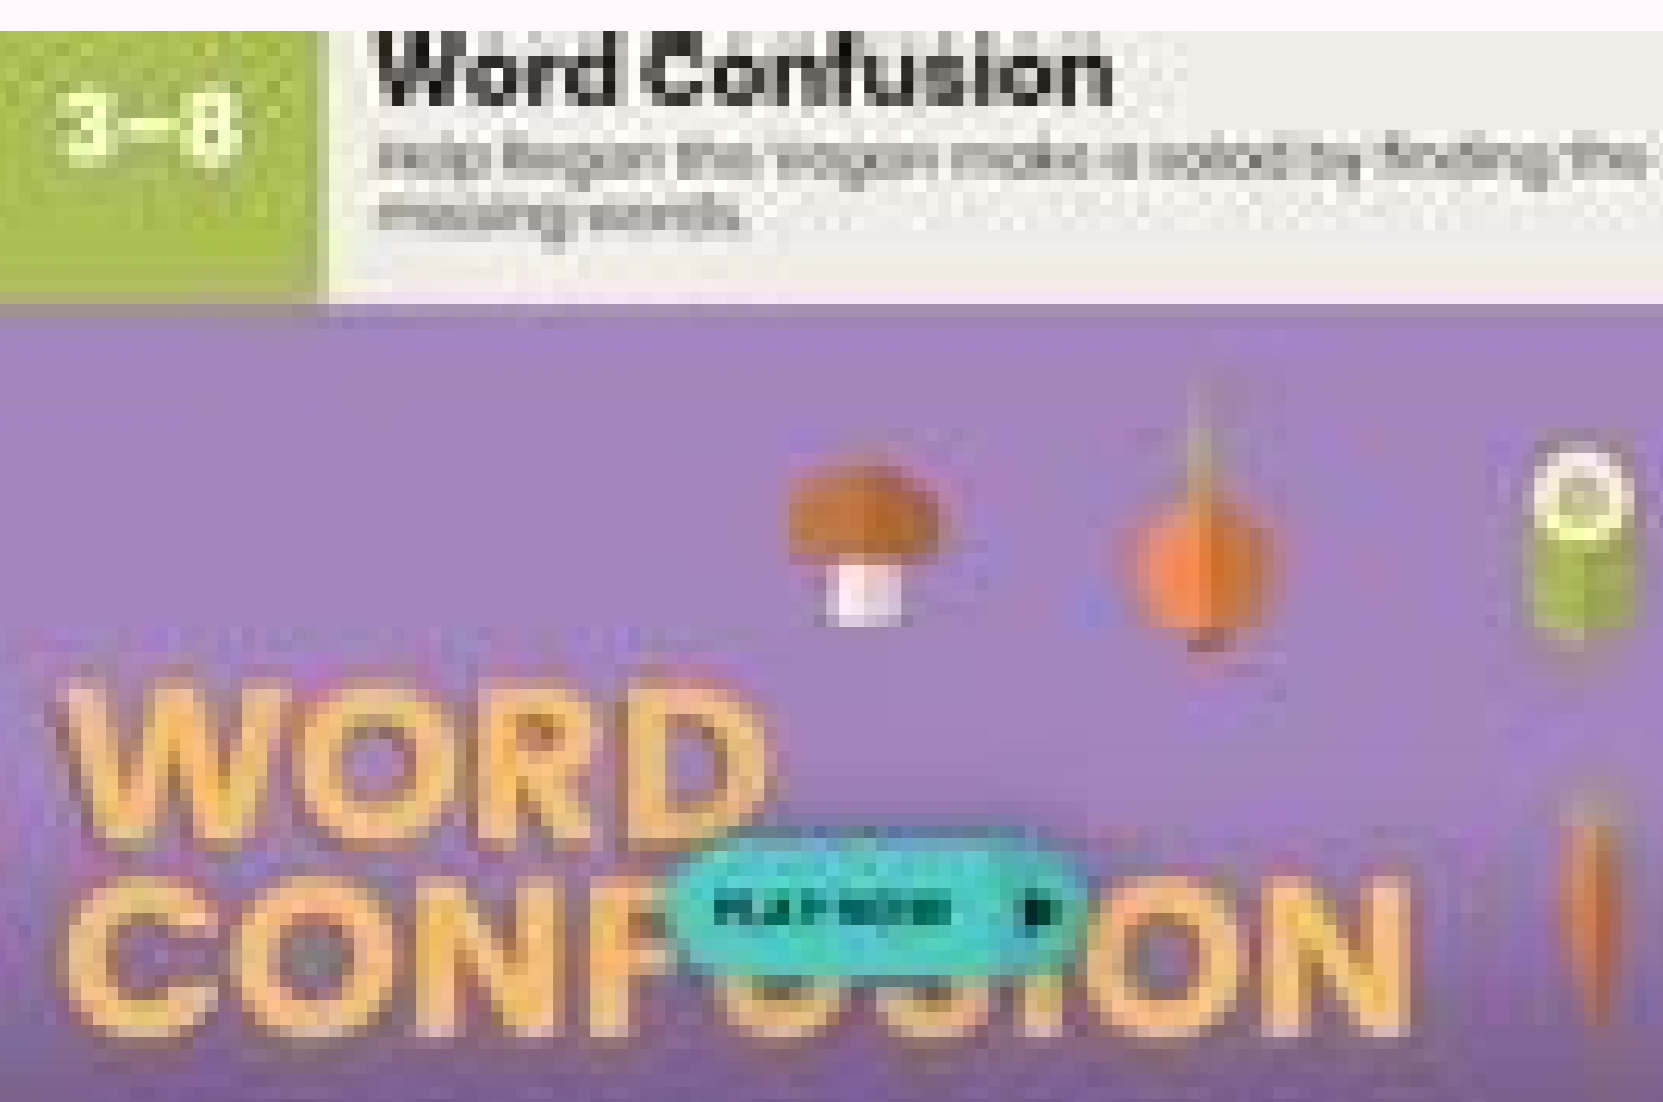

Example - Searching a specific word in the dictionary.

• **Intensive** : The intensive reading is a type of reading where the reader reads a text in a detailed manner for learning something.

Example - Reading blogs or news
