The 14x Optical Zoom and 28mm wideangle lens lets you get close to the action and also capture sweeping panoramic landscapes or large group shots. Simply switch to Manual Control and have the flexibility in your shooting settings to get more creative Dynamic IS A high performance DIGIC 4 processor and high sensitivity image sensor give superior image quality in all situations. The optical Image Stabilizer provides a 4stop benefit so you can shoot 4 shutter steps slower than would otherwise be necessary to achieve a blurfree shot. Dynamic IS and Stereo sound High quality movies can now be recorded in Full HD 1080p format with stereo sound. A tempered glass outer layer offers increased strength and excellent visibility in all lighting conditions.

Both modes provide dramatic and spectacular ways of recording fastmoving subjects. The iFrame video format is a simple way to quickly import, edit and share video. It would be much easier if Canon provided a hard copy of the whole operating manual rather than just the basics. This would save having to refer to it on the computer, which is not always convenient. It is a great little camera, with a good solid feel, slightly larger than some other compacts, but gives good quality images at a reasonable price.
