Tazzy Devil 1.0 out of 5 stars If you do order this nozzle by mistake, send it back first thing and have a refund. If you do find one that fits properly, let everyone know about it as it would be very handy to have this nozzle otherwise. I was using the heatgun without nozzles until now, I only just tried to use it recently. The nozzle is too small to fit on this particular heat gun, despite what the operating instructions say. I raised the issue direct with Bosch initially. They were quite helpful and confirmed it does not fit. Hopefully, they will change their documentation and design a nozzle that does fit. Hope this helps others. Tambien es perfecta para concentrar el chorro de aire caliente sobre
