shudders like mad!! I presume this is it Yes! that is the machine advertised on Amazon. As you say, strangely it is not listed on the Carl Lewis website. I have emailed the customer support, but it was returned. I have searched everywhere, and my last hope was to the Forum, someone usually always comes up trumps! Then you can do just about anything all be it slower and with the emphasis on getting the exercise as perfect as you can rather than as many reps or any speed. If it helps maybe try asking the CL website for booklets on what exercises to try. Or is the problem that you are not sure how the machine works rather than what to try on it If so, you can reclaim the tax on it Were a journalistic website and aim to provide the best MoneySaving guides, tips, tools and techniques, but cant guarantee to be perfect, so do note you use the information at your own risk and we cant accept liability if things go wrong. Its stance of putting consumers first is protected and enshrined in the legally binding MSE Editorial Code. Once we find something we think youll find interesting, well email you. Collection only.
